5 specified in section 16-802 or 16-804, or the name of any candidate
6 representing such party or the name of a candidate who has filed a
7 nomination petition in the immediately preceding primary election and has
8 failed to qualify as the result of an insufficient number of valid
9 signatures.

10 C. A nomination petition stating the name of the office to be
11 filled, the name and residence of the candidate and other information

20 3. After completing the steps in paragraph 2 of this subsection,
21 remove the following signatures that are not eligible for verification by
22 placing an adjacent mark or striking through the signature line:

23 (a) If the signature of the qualified elector is missing.

24 (b) If the residence address or the description of residence
25 location is missing.

26 (c) If the date on which the petitioner signed is missing, if the
27 date on which the petitioner signed the petition is before the date that
28 the serial number was assigned to the political committee that is filing
29 the petition or if the date on which the petitioner signed the petition is
30 after the date on which the affidavit was completed by the circulator and
31 notarized.

32 (d) Signatures in excess of the fifteen signatures permitted per
33 petition.

34 (e) Signatures withdrawn pursuant to section 19-113.

35 (f) Signatures for which the secretary of state determines that the
36 petition circulator has printed the elector's first and last names or
37 other information in violation of section 19-112.

38 4. After the removal of petition sheets and signatures, count the
39 number of signatures for verification on the remaining petition sheets and
40 note that number on the face of each petition sheet.

41 5. Number the remaining petition sheets that were not previously
42 removed and that contain signatures eligible for verification in
43 consecutive order on the front side of each petition sheet.

1 6. Count all remaining petition sheets and signatures not
2 previously removed and notify the applicant of this total number eligible
3 for verification.

4 B. If the total number of signatures for verification as determined
5 pursuant to subsection A, paragraph 6 of this section equals or exceeds
6 the constitutional minimum, during the same twenty day period provided in
7 subsection A of this section, the secretary of state shall select, at
8 random, five percent of the total signatures eligible for verification by
9 the county recorders of the counties in which the persons signing the
10 petition claim to be qualified electors. The random sample of signatures
11 to be verified shall be drawn in such a manner that every signature
12 eligible for verification has an equal chance of being included in the
13 sample. The random sample produced shall identify each signature selected
14 by petition page and line number. The signatures selected shall be marked
15 in a clear manner.

16 C. If a signature line selected for the random sample is found to
17 be blank or was removed from the verification process pursuant to
18 subsection A of this section then the next line down, even if that
19 requires going to the next petition sheet in sequence, on which an
20 eligible signature appears shall be selected as a substitute if that line
21 has not already been selected for the random sample. If the next eligible
22 line is already being used in the random sample, the secretary of state
23 shall proceed back up the page from the signature line originally selected
24 for the random sample to the next previous signature line eligible for
25 verification. If that line is already being used in the random sample,
26 the secretary of state shall continue moving down the page or to the next
27 page from the line originally selected for the random sample and shall
28 select the next eligible signature as its substitute for the random
29 sample. The secretary of state shall use this process of alternately
30 moving forward and backward until a signature eligible for verification
31 and not already included in the random sample can be selected and
32 substituted.

33 D. After the selection of the random sample and the marking of the
34 signatures selected on the petition sheets pursuant to subsection B of
35 this section, the secretary of state shall transmit a copy of the front of
36 each signature sheet on which a signature included in the random sample
37 appears. The secretary of state shall clearly identify those signatures
38 marked for verification and shall transmit by personal delivery, certified
39 mail, ~~electronic mail~~ E-MAIL or other electronic transfer method to each
40 county recorder a copy of each signature sheet on which a signature
41 appears of any individual who claims to be a qualified elector of that
42 county and whose signature was selected for verification as part of the
43 random sample.

1 E. The secretary of state shall presume that the date noted on the
2 petition for a petitioner's signature is the date on which the petitioner
3 signed the petition, and any person seeking to establish a different date
4 for the signature bears the burden of proof in overcoming the presumption.

5 F. The secretary of state shall retain an electronic copy of all
6 signature sheets except as otherwise prescribed in this title. After the
7 time period for legal challenges has elapsed, the original sheets shall be
8 made available to the applicant but may be disposed of after a reasonable
9 period of time.

10 Sec. 6. Candidate statement of interest; applicability;
11 filing; delayed repeal

12 A. Sections 16-311 and 16-341, Arizona Revised Statutes, as amended
13 by this act, apply to elections held on and after the effective date of
14 this act. Notwithstanding sections 16-311 and 16-341, Arizona Revised
15 Statutes, as amended by this act, a candidate who collects signatures
16 before the effective date of this act for an election held on or after the
17 effective date of this act shall file a statement of interest with the
18 appropriate filing officer not later than January 2, 2020. On timely
19 filing of the statement of interest as prescribed by this section the
20 candidate's otherwise legally sufficient signatures are valid and not
21 subject to challenge on the basis of their collection before the filing
22 date of the candidate's statement of interest.

23 B. This section is repealed from and after December 31, 2020.

24 Sec. 7. Severability

25 If a provision of this act or its application to any person or
26 circumstance is held invalid, the invalidity does not affect other
27 provisions or applications of the act that can be given effect without the
28 invalid provision or application, and to this end the provisions of this
29 act are severable.
